Corbin Arnett | Full Stack Web Developer

Github: corbinarnett | linkedin.com/in/corbinarnett

Full stack web developer with a passion for continuous learning and clean code. Experienced in Ruby on Rails and Javascript based programming. I discovered web development through my interest in photography and love for problem-solving. I bring strong skills in communication and servant-leadership.

SKILLS & EDUCATION

Technical: React/Redux, ES6 JavaScript, Ruby on Rails, Object-Oriented Ruby, Git, HTML/CSS, Bootstrap, Object Relational Mapping, SQL, Authentication, Rack **Personal:** Team Leadership, Problem Solving, Self-Starter, Community Relations	**Flatiron School** 07/2019 - 02/2020 Full Stack Web Development, Ruby on Rails and JavaScript program.

TECHNICAL PROJECTS

Favlink - *Github*
A single-page-application built on a Ruby on Rails Api. Users can store links to their favorite webpages, articles and visit them through a modular Javascript frontend.
- Fully functioning Rails (with Javascript) web application
- Follows Rails MVC and RESTful conventions
- Uses a Rails API for data retrieval from a PostgresQL database

Sommel - *Github* | *Demo*
Sommel is a Rails MVC web-application to log your favorite wines, add reviews/tasting-notes and discover what bottle to check out next.
- Utilized OAuth to allow users to login with Google
- Supports CRUD functionality across the app
- Manages related data through complex forms and RESTful routes

Locale - *Github* | *Demo*
Locale is a MVC CRUD Sinatra web application that allows users to create an account, add their favorite places to eat and drink and view what other users have added as their favorites.
- Applied Sinatra to create routes between the controllers and the views
- Designed database schema and stored data using SQlite and ActiveRecord
- Leveraged Bcrypt to secure user passwords and authenticate logins

EXPERIENCE

Barista and Roaster, Good Coffee, Portland, OR & States Coffee, Martinez, CA
06/2017 - Present
- Used coffee and hospitality as a vehicle to bring delight in the community.

Manager, Canteen PDX, Lake Oswego, OR
08/2016 - 06/2017
- Responsible for the hiring and training of all new staff, and managed the ordering, scheduling, and payroll for the location.
